SMPS Upstate New York strives to provide high-quality educational programming and networking opportunities to help our members succeed and be effective leaders. Your sponsorship dollars will be used to enhance these learning experiences, increase the frequency of networking events, and build awareness of SMPS and its value to new and seasoned A/E/C professionals. Through high visibility, low cost sponsorships, you gain exposure to top principals, business development professionals, and marketers who are key decision makers in their firms.
